

THE BRANDYWINE VALLEY CIVIL WAR ROUND TABLE WEST CHESTER, PENNSYLVANIA

Celebrating 30 years

An organization of diverse people brought together by our common interest in the American Civil War. This interest can range from the casual to the obsessive. The Brandywine Valley Civil War Round Table tailors its activities and presentations to appeal to all of our members – novice and expert, young and old, re-enactor and armchair historian, pro-Yank or pro-Rebel.

Founded in 1987, the Brandywine Valley Civil War Round Table's purpose is "to provide a congenial medium through which persons having a common interest in the events of the American Civil War – its causes and effects, engagements, personages, units, armaments and other things pertaining thereto – may satisfy their interest and broaden individual knowledge through discussion, lectures, field trips and the exchange of books, papers and other data."

In 2008, The Brandywine Valley Civil War Round Table was awarded the "Civil War Round Table of the Year Award" by the Civil War Trust for its "outstanding commitment to preserving and promoting America's Civil War heritage."
