Until the end of John Lapinski's term, presidents served from September to September. After John, in 1993, the term became the calendar year. (Joyce Clark, long-time member and former Newsletter Editor contributed this information).

• March 29, 1962: Fifty-five people attended the first meeting of the round table in Elmhurst's new YMCA. They came from Elmhurst (19), Elmhurst College (11), Glen Ellyn (7), Wheaton (4), Maywood (3), Geneva (3), Hinsdale (2) West Chicago (2) and 1 each from Bensenville, Downer's Grove, Lombard and Villa Park. Twenty-seven people remained for the executive session after the program. Four Chicago Civil War Round Table members were welcomed to the initial Salt Creek meeting. The last Friday of the

month was set up as the meeting date. Initially, there were no dues - only donations for expenses. The treasurer reported contributions of \$20 by 16 members at the first business session. Bills were paid for the rent of the meeting room and printing, amounting to \$17, leaving a balance of \$3.

- November 1962: By November a bank account was established and dues were set at \$5 per individual, \$1 per student. Dues remained at \$5 for over twenty years when in January 1983 it was decided to increase to \$6 per individual, \$1 per student. Dues increased to \$10 in 1988 and \$15 in 1992. Dues increased to \$25 in 2000 to cover the cost of the room fee at the College of DuPage. Another increase took place in January 2004 to \$30; however, those members who take the newsletter by email remained at \$25. In 2015 another increase took place to cover the increased cost of postage and envelopes for those receiving the newsletter by mail to \$35.
- ♦ October 1964: Mrs. Howard E. Steele, FOUNDER and 1st secretary, becomes the first newsletter editor.
