

LECTURE Series

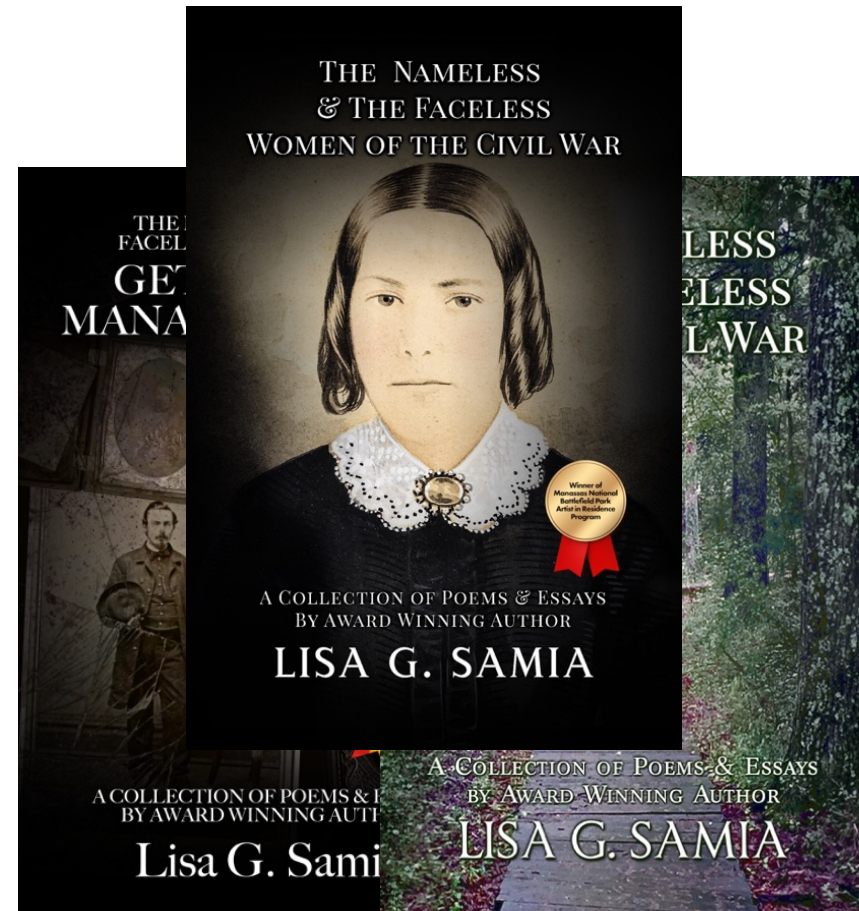

Friday, March 19, 2027

7 pm Eastern / 4 pm Pacific

With LISA SAMIA

THE NAMELESS & THE FACELESS OF THE CIVIL WAR

Historian and poet Lisa Samia will combine the rhyme and narrative of poetry with Civil War history. Her presentation will bring forth the lost voices of the past. Remembering that not everyone who witnessed and experienced the Civil War is represented in history. Samia values the voice of the unknowns and their experiences and suffering.
