

Cordelia Harvey comes to life....

Written by Kenosha playwright Jim Farris, and further developed by Mary's own research, this presentation is based on a wide range of primary and secondary historical materials. Weaving together the "facts of record," including many of Mrs. Harvey's own words, with her extensive experience of first-person, in-character portrayal of noteworthy historical women, Mary offers a unique opportunity to visit with a person from the past. In addition to her formal presentation as, Mary takes your questions and comments in-character.
