

We Respect Your Privacy

The CWRT Congress is committed to respecting the privacy of its financial and in-kind donors, whether the donation is made online, by mail, or any other method. When you make a financial or in-kind donation, you provide your name and contact information. Financial donors provide standard payment information including, in many circumstances, credit card data. We protect your information in a variety of ways, as described below.

We use industry standard safeguards to protect your information. Many donors use credit cards for donations. We work with other companies to process credit card transactions. Those companies use encryption and other appropriate security measures. Those measures make it extremely difficult for anyone to intercept the credit card information you send on our behalf.

We will not sell, share, or trade our donors' personally identifiable information with any other entity, except as described below. In addition, we will not send mailings to our donors on behalf of other organizations, unless a donor has given us specific permission to do so. The CWRT Congress has vendors that assist with processing and managing donations and donor data. We give these vendors access to donor data. Our vendors are bound by strict confidentiality rules and are permitted to use donor data only to support CWRT Congress operations.
